Suggestions for 5-POINT RATING SCALE

The **“5”** rated player is one who, within his/her age group:

- Has outstanding passing, kicking, dribbling and juggling skills
- Always puts out an extra effort on the field
- Maintains a consistent level of outstanding play throughout the entire game
- Has an outstanding understanding of team and positional play and strategy
- Has a significant effect on their team, either by presence or absence

The **“4”** rated player is one who, within his/her age group:

- Demonstrates above-average passing, kicking, dribbling and juggling skills
- Consistently shows above-average effort on the field
- Usually maintains an above average level of play while in the game
- Has above average knowledge of team and positional play and strategy

The **“3”** rated player is one who, within his/her age group:

- Has average passing, kicking, dribbling and juggling skills
- Is in reasonably good physical condition
- Generally maintains a good level of play while in the game
- Understands something about team play and strategy

The **“2”** rated player is one who, within his/her age group:

- Lacks consistency in passing, kicking, dribbling and juggling skills
- Lacks the physical conditioning necessary to play the entire game effectively
- Has some knowledge of some aspects of team play and strategy
- Plays his/her position in an inconsistent manner

The **“1”** rated player is one who, within his/her age group:

- Has few or no passing, kicking, dribbling and juggling skills
- Has little desire or ability to learn or improve
- Plays his/her position ineffectively and often needs support from teammates
- Has little understanding of team play and strategy
